Blackboard

How do I request a Blackboard account?

If you require a guest account for Blackboard, contact the ITS Help Desk to request access.

If you are an employee or student at ODU however, you should not need to request a Blackboard account. Simply use your MIDAS ID and password to log into ODU's Blackboard site:

- [http://www.blackboard.odu.edu](http://www.blackboard.odu.edu)

Note: your MIDAS account must be activated before you can use it:

- [http://midas.odu.edu/activate](http://midas.odu.edu/activate)

Tech Support:

If you are still having difficulty logging into Blackboard, please contact the ITS Help Desk.
